

7:30	<b>Registration and Coffee - Doug Little Lounge</b>		
8:45	<p align="center"><b>Welcome - Lecture Theatre 7-212</b>  <b>Welcome and Opening Remarks</b>  Welcome to UNBC: Dr. Bill McGill, Dean, College of Science and Management  Conference outline: Dr. Roger Wheate, GIS co-ordinator, UNBC</p>		
	<b>Lecture Theatre 7-238</b>	<b>Lecture Theatre 7-212</b>	<b>GIS Lab</b>
	<b>Data Management</b> Moderator – Don Morgan	<b>Remote Sensing</b> Moderator – Roger Wheate	
9:15	<b>Cost-effective Solution for Forestry Data Management</b> Jennifer McGill & Dave Konwicki, GIS Analysts, Timberline Forest Inventory Consultants, Ltd.	<b>Using Landsat Imagery and Forest Cover Data to Examine Impacts of Forest Management Activities on Carbon Stocks and Sequestration</b> Darren T. Janzen, University of Northern British Columbia	
9:40	<b>The Northwest Data Sharing Network: A First Nations, Industry and Government Partnership</b> Don Morgan, Executive Director of the NorthWest Data Sharing Network	<b>Detecting Mountain Pine Beetle Using Remote Sensing</b> Darin Brooks, Remote Sensing Manager, Kim Forest Management Ltd.	
10:05	<b>Nodal Approaches to Local Data Management</b> Scott Emmons, University of Northern British Columbia	<b>Using Multi-date Landsat Imagery to Describe Seasonal Phenology in a Northern Mountain Ecosystem.</b> Roberta Lay, University of Northern British Columbia	
10:30	<b>Coffee and Poster Session – Canfor Wintergarden</b>		
	<b>Data Management &amp; Data Registry</b> Moderator – Angela Smith-Rockwell	<b>Forest Health</b> Moderator – Tanya Barrett	
11:00	<b>What's New in Spatial Manipulation of Forest Data</b> Michael Verschoor, Marketing/Sales Assistant, Forsite Consultants Ltd.	<b>Beetle Detection Mapping Using Film Based Methods</b> Dick Mynen, GIS Manager, Geomatics Department, TDB Forestry	
11:25	<b>Genus RMT - Stand Planner</b> Mark Laudon, Genus RMT	<b>An Integrated Data Management Approach to Forest Health Issues</b> Bart Wagner and Justin Grieves, Data Management Consultants, Refined Logic Inc. Brad Layton, VP Operations, Pro-tech Forest Resources Ltd. / Blackstone Software Inc.	
11:50	<b>Integrated Land and Resource Registry Project</b> Rosa Munzer, Senior Project Manager		
12:15	<b>Lunch – Room 7-172 Bentley Centre and Poster Session - Canfor Wintergarden</b>		
	<b>Lecture Theatre 7-238</b>	<b>Lecture Theatre 7-212</b>	<b>GIS Lab</b>
	<b>Trends in GIS &amp; Custom GIS</b> Moderator – Birthe Miller	<b>GIS in Health</b> Moderator – Roger Wheate	<b>Workshops</b> Moderator – Scott Emmons
1:45	<b>Trends in GIS</b> Dwayne Froment, ESRI CANADA	<b>Applications of GIS in Health Geography: Fine Tuning Estimates of Geographical Accessibility in Northern BC</b> Jessica McGregor, University of Northern British Columbia	<b>Accessing Data through MapServer</b> Tyler Mitchell, Riverside Forest Products
		<b>Visualization &amp; First Nations</b>	Bring your data for a hands-on workshop
2:10	<b>Supporting Spatial Data Maintenance Workflow and Data Authoring With Custom ArcMap Tools</b> Bill MacKay, Professional Services Manager, INFORM - Network for Management Systems	<b>Visualization &amp; First Nations</b> David Balcaen, Viewscape3D Graphics Ltd.	
2:35	<b>Web mapping with ESRI's ArcIMS and .NET</b> Bill MacKay, Professional Services Manager, INFORM - Network for Management Systems		
3:00	<b>Coffee and Poster Session - Canfor Wintergarden</b>		
	<b>Accessing &amp; Collecting Data</b> Moderator – Birthe Miller	<b>Circle of Life Workshop</b> Moderator – Chris Jones	<b>Demonstration</b> Moderator – Tanya Barrett
3:30	<b>ACDSee and Canvas</b> Sheldon Croden, Corporate Account Development, ACD Systems - The Digital Imaging Company	<b>Circle of Life</b> Jim Hogg, Gord Fish Base Mapping & Geomatic Services Branch, Ministry of Sustainable Resource Management	<b>Demonstration of PMOIS (Pest Management Operations Information System)</b> Bart Wagner and Justin Grieves, Data Management Consultants, Refined Logic Inc.
3:55	<b>OziExplorer GPS Mapping Software</b> Mark Sunstrum, RPF, Sunfor Consulting Inc.	The Life Cycle of Your Project	Brad Layton, VP Operations, Pro-tech Forest Resources Ltd. / Blackstone Software Inc
4:20	<b>ArcPad and Field Data Collection at the City of Prince George</b> Craig Telford, GIS Technologist, City of Prince George		
6:30	<b>Social at Rookeez</b>
